Sir:

Applicants are submitting a request to correct inventorship under 37 CFR §1.48(a) to correct inventorship. Applicants request to amend the application to add Benjamin R. Yerxa as an inventor. The correct inventive entity is William Pendergast, Sammy R. Shaver, David J. Drutz, Janet L. Rideout and Benjamin R. Yerxa.

The inventive entity in the Inventor Declaration executed on January 13, and 14, 2000 was set forth in error; such error arose without any deceptive invention on the part of Dr. Yerxa who through error was not named as an inventor.

According to 37 CFR § 1.48(a), this Request is accompanied by:

- (a) A statement from Dr. Yerxa that the error in inventorship occurred without deceptive intention on his part;
- (b) A declaration by the actual inventors as required by § 1.63;
- (c) The fee set forth in § 1.17(i);

(d) The written consent of the assignee.

Respectfully submitted,
